

Pliage serviette en sapin

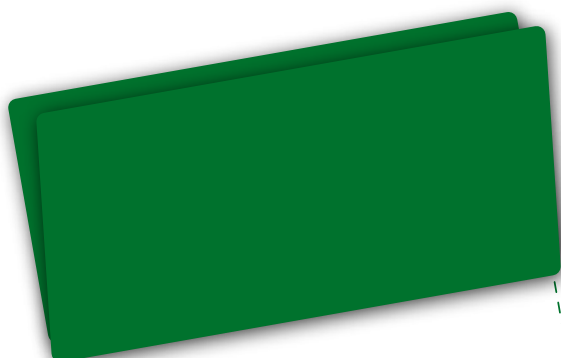

1

Pose la serviette à plat devant toi.

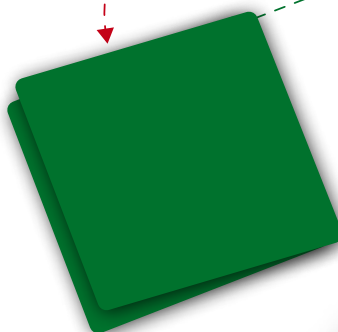

2

Plie-la en deux.

3

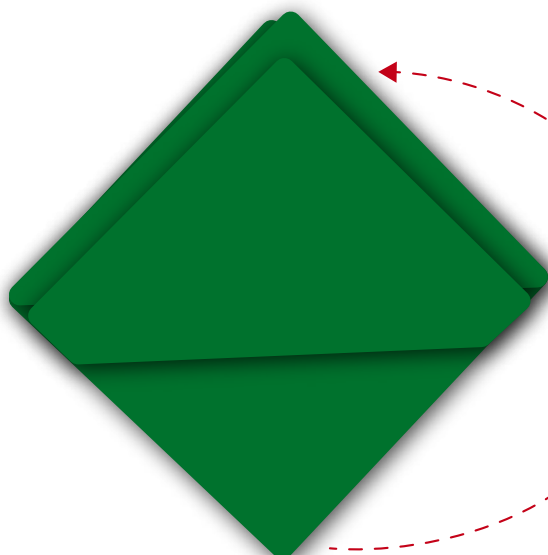

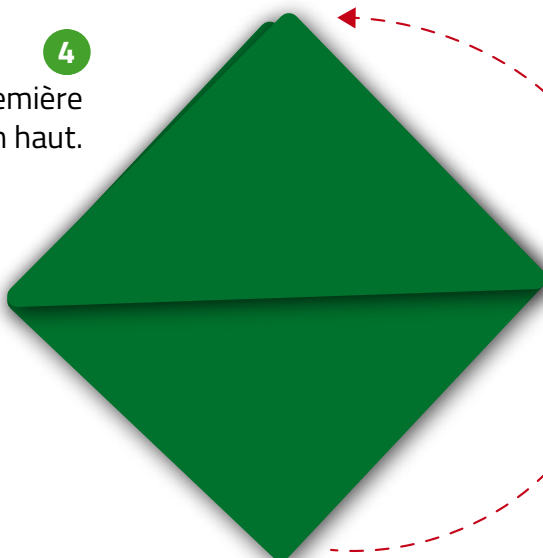

Plie-la à nouveau en deux.

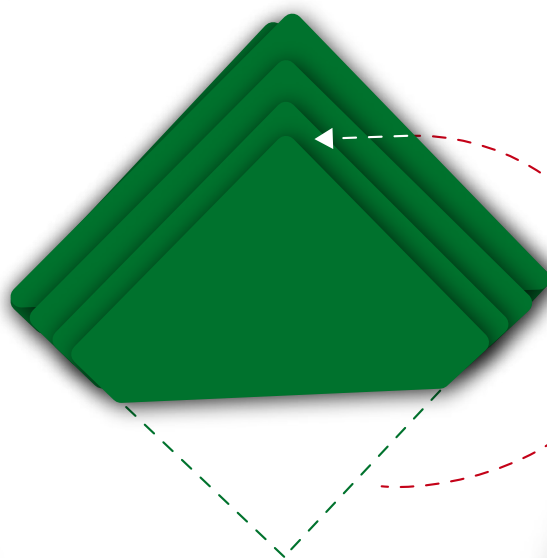

4

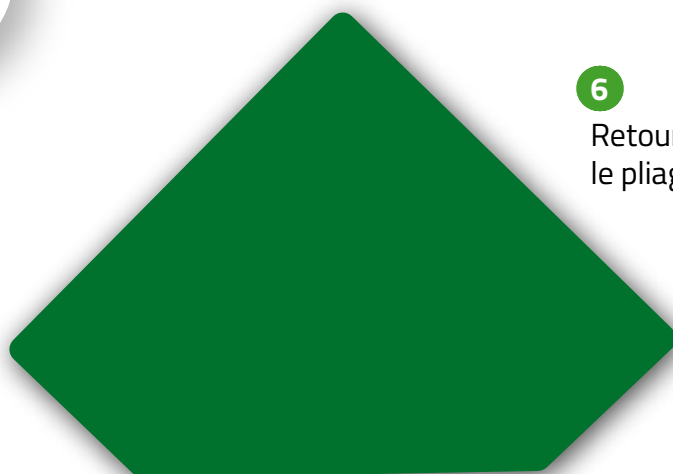

Ramène la première
pointe en haut.

5

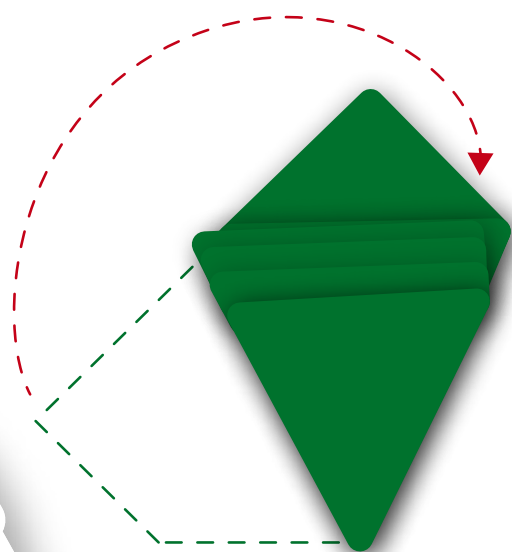

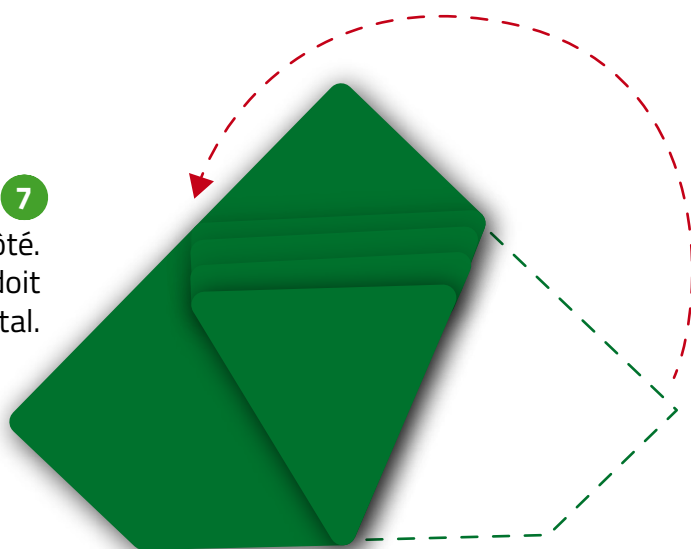

Continue en décalant
un peu chaque pointe.

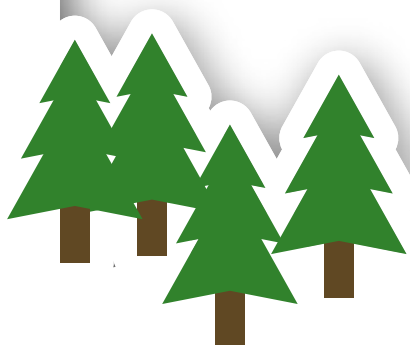

6
Retourne
le pliage

7
Plie un côté.
Attention, le haut doit
être bien horizontal.

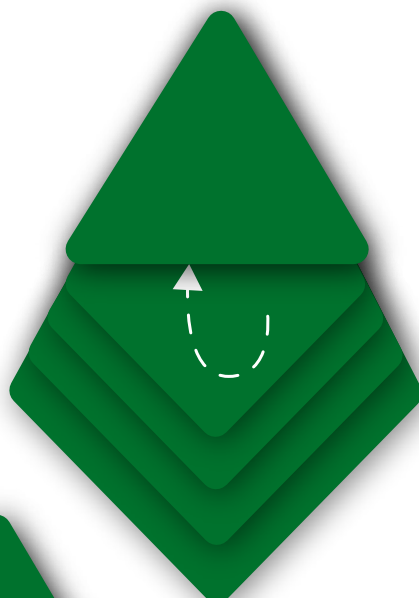

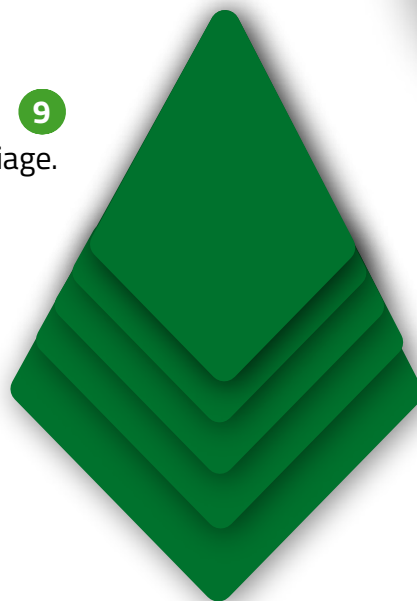

8
Recommence de
l'autre côté pour faire
une pointe en bas.

9

Retourne le pliage.

10

Glisse les pointes en dessous.

11

C'est fini !
